

Fanning Into Flames Prayer

Father God, I come before you now just as I am,
I dedicate my body as a living sacrifice,
I yield my whole body, soul, and my spirit to you,
I don't want to just say these words Lord, but I want to fully surrender each part of me and yield them you.

I surrender my family,
all my relationships,
my job, my business,
my finances.
All of me and all that I'm a steward of.

I give you my past, present and future,
I give you all the people I am carrying in my heart, all their burdens and issues.
I give you everything that's consumed me lately.
I give you all the distractions and the little foxes that have been spoiling the vine.

I repent and renounce all my sins, all sinful ways, and all those times I have grieved you.
For not bowing my knee and walking in obedience.
Forgive me Lord for any rebellion that operates in my heart.

I also choose to forgive everyone who has ever hurt me as I know forgiveness is for my benefit not theirs.
Everything they've done to me directly or indirectly I surrender.
Any offence I've taken on, I repent, renounce, and release it to you Lord.

Lord Jesus, I declare today that you are my Lord and saviour.
Fill me to overflowing with your peace, your love, your healing and your joy.
Release me into the fullness of all the gifts, powers and fruits of the Holy Spirit.

Holy Spirit, I believe that you live and breathe and have your being within me.
Help me to worship you in Spirit and in truth.
Help me to listen to you.
Help me to recognize your presence.
Show me how I can spend time with you each day and empower me to do it consistently.
Fan into flames every gift, grace, and blessing that I have ever received.
Let me be as straw and set me ablaze for your glory
Direct my steps towards the Godly calling on my life and the plans and destiny you have for me.
Help me to get ready for service – to do all you've called me to do for you.

I call the fire down – more of you Lord.
Lord never let the beautiful gift you've given me ever go out.
Cause me to keep stirring up the embers within.

I pray this prayer in the mighty name of Jesus Christ of Nazareth, and I seal it in his precious blood.

Amen and amen!
